At their January 11, 1980 Executive Meeting, the Board of Oil, Gas and Mining gave concurrence to Division staff in their decision to issue tentative approval to the Crystal Mine. The amount and form of surety was also approved.

The Division hereby issues tentative approval to this mine and acknowledges receipt of proper surety.

After publication of a condensed version of the Mining and Reclamation Plan and a 30 day public comment period the Division will issue final approval if there are no adverse comments received. Thank you for your cooperation.
